Biennial
Meeting
Rio de Janeiro | Brazil

Seventh circular: 7th LatinMag Biennial Meeting (2023)

The Latin American Association of Paleomagnetism and Geomagnetism (LatinMag) announces that the "late registration" category of the 7th LatinMag Biennial Meeting has been canceled and that regular registrations will continue until the end of the registration period, according to the calendar available at <https://www.latinmag2023-rj.com/br/calendar/>.

The Organizing Committee also informs that on November 15th (Wednesday) the following activity will take place, according to the schedule available at <https://www.latinmag2023-rj.com/br/schedule/>:

“Field trip to the Vassouras (VSS) Magnetic Observatory, state of Rio de Janeiro. Departure scheduled for 8 AM from Observatório Nacional-MCTI, and return at 6 PM.”

Sincerely,

Local Organizing Committee – 7th LatinMag Biennial Meeting
