

Tenth Circular: 7th LatinMag Biennial Meeting (2023)

1) Deadline for submission of extended abstracts closed

The Latin American Association of Paleomagnetism and Geomagnetism (LatinMag) informs that the deadline for the submission of abstracts for the 7th LatinMag Biennial Meeting **is closed**. The received abstracts will be assessed and reviewed by the Scientific Committee, and further updates will be published.

2) Field trip to the Vassouras (VSS) Magnetic Observatory

The Local Organizing Committee kindly requests that participants who wish to join the field trip to the Vassouras Magnetic Observatory (VSS), state of Rio de Janeiro, <u>register their interest</u> through the "Confirmation of attendance for the field trip to the Vassouras Magnetic Observatory (OMV) (google.com)" form, published on the official 7th LatinMag Biennial Meeting website (https://www.latinmag2023-rj.com/schedule/).

All interested participants are required to complete this form, as it is of utmost importance to ensure the participation of everyone.

The field trip will take place on <u>November 15, 2023</u> (Wednesday). Departure from the National Observatory is scheduled for 8 AM, with the return at 6 PM.

3) New Speaker

The Organizing Committee is pleased to announce one more invited guest speaker for the 7th LatinMag Biennial Meeting:

• Dr. Jürgen Matzka - GFZ German Research Centre For Geosciences, Helmholtz Centre Potsdam (Germany).

Sincerely,

Local Organizing Committee - 7th LatinMag Biennial Meeting
