Thirteenth Circular: 7th LatinMag Biennial Meeting (2023)

(1) CHARTER BUS FOR THE OPENING OF THE 7th LATINMAG BIENNIAL MEETING - NOVEMBER 12, 3:00 PM (GMT-0300)

The organization of the 7th LatinMag Biennial Meeting has rented a chartered bus for the transportation of participants interested in attending the event's opening on Sunday, November 12th. This bus will have forty-five (45) seats. Interested individuals should register at the link provided on the page <https://www.latinmag2023-rj.com/schedule/> by the next Wednesday, November 8th, at 11:59 PM. However, this list may be closed before this time and date, depending on the vehicle's capacity.

Please note that people who do not register will not have a seat on this bus. Therefore, we kindly ask you to inform your students and colleagues about this.

Below are the details of the route:

- **Departure to Observatório Nacional (from boarding point 1):** Sunday, November 12, 2023, at 3:00 PM (GMT-0300)

- **Boarding point 1:** Museum of Earth Sciences (CPRM) - Av. Pasteur, 404, Urca, Rio de Janeiro
- **Boarding point 2:** Rua São Luiz Gonzaga, 653, São Cristóvão, Rio de Janeiro, at 3:20 PM (GMT-0300)

- **Return:** Observatório Nacional - Rua General José Cristino, 77, São Cristóvão, Rio de Janeiro, at 5:30 PM (GMT-0300)

- **Drop-off point 1:** Rua São Luiz Gonzaga, 653, São Cristóvão, Rio de Janeiro
- **Drop-off point 2:** Museum of Earth Sciences (CPRM) - Av. Pasteur, 404, Urca, Rio de Janeiro

(2) VAN SERVICE TRANSPORTATION FOR STUDENTS NOT RESIDENT IN RIO DE JANEIRO (ROUTE: METRÔ SÃO CRISTÓVÃO - ON/MCTI - METRÔ SÃO CRISTÓVÃO)

The organization of the 7th LatinMag Biennial Meeting is providing a van service for the transportation of participants between Metrô São Cristovão (the nearest metro station to ON/MCTI) and the institution.

The number of seats is limited to fourteen (14) - unfortunately, we couldn't secure a vehicle with a larger capacity. Therefore, this service will be restricted for use by non-resident undergraduate and graduate students in Rio de Janeiro. A list will be available for interested individuals to register via the page <https://www.latinmag2023-rj.com/schedule/>.

It's essential to note that this service will only operate on November 13, 14, 16, and 17, 2023.

- **Boarding point (to the ON/MCTI):** Ipiranga gas station, in front of São Cristovão metro and Quinta da Boa Vista.

There will be four departure times to Observatório Nacional: 8:00 AM | 8:30 AM | 9:00 AM | 9:30 AM. A five (5) minute delay tolerance will apply.

- **Boarding point (to the São Cristovão metro station):** For the return to São Cristóvão metro station, there will be two departure times, starting from the main auditorium entrance of ON/MCTI: (1) 10 minutes after the event's conclusion | (2) 30 minutes after the event's conclusion. A five (5) minute delay tolerance will apply.

Access to the van service will only be permitted: (1) upon registration on the registration list (available at <https://www.latinmag2023-rj.com/schedule/>); (2) with the use of the participant's badge.

(3) ORAL PRESENTATION SCHEDULE: NOW AVAILABLE ON THE 7LBM WEBPAGE

The dates and times for oral presentations are now available on the page <https://www.latinmag2023-rj.com/schedule/>

Poster presentations will be available on the same page by this **Thursday (November 9) at 11:00 PM (GMT-0300)**.

We look forward to seeing you!

Sincerely,

Local Organizing Committee - 7th LatinMag Biennial Meeting
